He took Mayr's Wonderful Remedy. He got his appetite back and gained in strength right away. He wrote:

"I owe you some words of congratulation for your stomach remedy. I could not eat anything but soft food and the bloating from gas got so bad that at one time I had a fainting spell for three hours. I went to one of your Chicago drug stores and got your remedy. I took the remedy and the next morning was relieved. I am getting stronger and can eat anything that comes along."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. BE ENERGETIC NOT LANGUID

Medical Authority Tells What This Condition Really Means.

"When you are languid and listless, or lack ambition and feel so melancholy that life seems scarcely worth the living, it is absolutely necessary that you take treatment to correct these sub-normal conditions, because you are suffering from derangements of a vital organ," declares one of the greatest medical authorities.

That "tired feeling" means a good deal more than is generally realized. It is not laziness, it is a physical ailment that needs correction quickly before it becomes even more serious by taking a firm hold on you.

Throw off that nervous depression. It is your duty.

Tanlac, the tonic, appetizer and invigorant, that builds new tissues, vitalizes the blood and acts so favorably on ailments of the stomach, liver and kidneys and catarrhal affections of the mucous membranes, is designed especially to correct these conditions.

The results of the Tanlac treatment are amazing. It tends to put you back in body and mind like those old-fashioned, but most sensible folks—the pioneers, and to make you sturdy and of real manhood and womanhood.

Men and women, from the highest to the lowest walks of life, everywhere are testifying to the relief Tanlac has brought them. No other remedy has ever won such great endorsements that can only come from superlative merits.

Tanlac can now be had in Marion, Ky., at the J. H. Orme drug store, where it is being fully explained to all questioners; and also by A. T. Brown at Blackford, Ky.

URIC ACID POISON

Pay Attention to Pains—Rheumatism May Cripple You Permanently.

Ouch! Does it hurt to move your arms, legs, bend your back or stretch your muscles? Be careful and take heed in time. Rheumatism is stealing on you and may cripple you if you don't stop uric acid from settling in your veins and muscles.

Rheuma is a great specialist's prescription, chases this poison out of the system and gives relief from all forms of Rheumatism. It acts through the seat of the trouble, the kidneys, stops the formation of uric acid, then drives out through the bowels that which is in the blood.

Genuine Rheuma (see that you get the trade-marked package) is sold by James H. Orme and all druggists for 10 cents. Money back if not satisfied.

I OWE MY HEALTH

To Lydia E. Pinkham's Vegetable Compound.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies." —MRS. ROBERT STORER, Moore Avenue, Washington Park, Illinois.

We wish every woman who suffers from female troubles, nervousness, backache or the blues could see the letters written by women made well by Lydia E. Pinkham's Vegetable Compound.

If you have any symptoms about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.
